Dear XXXTREME: What's up? Ha, that's an easy one—I am! I am stiff as a sonovabitch from lookin' at all the fine ass ladies you've got gracing the glossy ass pages of your magazine! I can't keep my hands off myself, I mean seriously. Help me, it's hurts! Haha, hurts so good that is. I grew hair on my palms then rubbed it all off again, you feel me? It's just that the pics you feature are slightly more...I don't know, just more MORE. Mmmm, yeah. Yummy. Keep it up I mean keep me up!  
—Larry in NC via email

ASHLEY BLUE & JESSI PALMER

Dear FXXXT: You know what I want? What I really, really want more than anything? To meet Aurora Snow. That babe has been the one for me for as long as I can remember. I would do anything to make her happy. She really is the perfect woman: smokin hot, freaky, digs anal, gives good head and is smart and all that other shit too. Like you could fuck her in the ass and then have something to talk about afterwards in the shower. God I wish I could find a chick just like that. I know that broads like her are few and far between though and I am just glad that I can enjoy her from the comfort of my own couch in the pages of your mag. Having fantasies about her are better than nothing at all I guess.—Doug D. via email

LILY CARTER

XXXTREME!: Fuck yeah, you are my FAVE! I'm not kidding. That Ashley Blue and Jessi Palmer shoot was off the hook, no lie! I would party with those two crazy hot bitches any time, just ask me. I used to drive around strippers for out of house gigs so I can be relied upon to conduct myself in a gentlemanly manner. Within reason any-

way. I don't think I could very well watch them going at it right in front of me like that and not join in a little. They look like they had everything handled in those photos but a man with a nice-sized cock always bring something extra to the table. Even the dykeiest dyke would refuse what I have to offer, believe you me.—Jimmy82 via email

fee for thinking of it! How's that. The girl I want to participate in it are Sasha Grey, Audrey Hollander, Ashley Blue, and then the rest blondes, I don't really care who they are. I want the three kinky chicks to tear up the blondes. Like not literally but I mean give them a good what-for. That Ashley Blue eats blondes for breakfast, you can just tell by the look in her perverted eye. Sweet.—L.G. in Lubbock, TX

Dear **FOXXXTREME**: I just wanted to write in and let you know that there's no other magazine out there that I'd rather stash in my workshop or under the sink in my bathroom. Guys, you make me damn proud to sneak around the house with my dick in my hand.—James in IA via email

**FOXXXTREME**: You're dicks up the best dirty mag out there today. Get it? "Dicks up," not hands down? I am pretty clever. People tell me that all the time. I get plenty of women—it's not that. It's just that sometimes I like

something a little bit different and **FOXXXTREME** always delivers. Like right now for example I am seeing this really great woman but she's really a prude when it comes to threeways and that sort of thing. So instead of cheating on her which I would have not hesitated to do in my younger days I just now pick me up a copy of **FOXXXTREME** and choke it in the privacy of my own bathroom to all the group sex shots. It works out perfectly and no one gets hurt. And I don't get my shit thrown out all over the front lawn again. I really hate that.—S. in MI

Dear **FOXXXTREME**: I've never seen an all out gash fest in your publication. I mean like ten chicks all getting it on in one big sweaty stack of quivering pussy meat. I want strap-ons, vibrators, fingerbanging, licking sticking sucking eating you name it. I think it would be a huge hit with your readers. And I won't even charge you a consultation

# BIG BOOB CAR WASH

**SMASH PICTURES**

[www.smashpictures.com](http://www.smashpictures.com)

**DIRECTOR: JIM POWERS**

**SLUT: HALEY CUMMINGS** 28184

**HALEY CUMMINGS:** I'm from Daytona Beach, Florida and I'm 19. Pretty much everyone books me because of my boobs. I think they are a 34F but I'm not sure because I just went up a size. This whole thing happened basically because of MySpace. I had some pictures on it and Foxxx Modeling added me. I went on their profile and sent some pictures and they took me. I had been pretty much just sitting on my ass. I worked at McDonald's for a while.

On this day in Pornoland it will all be about titteriffic girls who wash cars naked. To compete in this brutal world, every girl needs something special. In Haley Cummings' case, there's no dispute as to the predominance of her gnarly, natural rack. Every rack differs in personality and temperament. Haley's has a lot of native intelligence and graduated from middle school a year early. That's because they came to earth from another planet where conventional, earthly mammarial construction is not an influence. Each breastial entity wields a degree of majestic, pendulous flop value that has not been marginalized by a retarded tit job and is allowed to fly free. They can also be hippie tits if they want to because they like to do their own thing.

This is truly a rack from outer space. On top of that, Haley is a bad girl and has a juvenile delinquent history to prove it. "I was taken out of high school a month after ninth grade," she says. "I started getting into a lot of trouble by skipping class and smoking weed in the bathroom, so I ended up getting home schooled and during that period I caught a couple of charges then spent a year in programs and detention centers. Right after the detention center is when I got into porn."

I like it. Juvey babes are hot. Let's party!

The great Jim Powers is the director and car wash scenario improviser for the maximum porn opus that will be *Big Boob Car Wash*. As in any great show business production, thorough planning is of paramount importance.

"Basically this is about girls washing cars and getting fucked," he says. "That's about as deep as this movie goes. It's a tough life but these girls are used to it."

Powers oils down Haley's torso and bazooms to ensure maximum gleam value and then calls his BTS camera guy over to shoot him probing her belly button with his little finger. "There's going to be a lot of filming of her washing the car too," Powers adds, laughing. A director prepares.

It's time to roll video so Powers constructs the set-up. Haley will carry a boombox down from the patio of this palatial porn shoot house and begin to hose down a car. This Big Boob Car Washing outfit makes house calls you see. Derrick Pierce is the homeowner who has enlisted their services. "Just put the boombox on," Powers says to Haley. "You just start dancing and you're washing all this stuff and Derrick is watching you do it." He turns to Pierce and says, "Then you basically grab her and you go up there and fuck."

**HALEY:** I don't know how juvey got me into porn, it just happened that way. I guess I was tired of trying to be good. I'm a nympho so I really like sex a lot. My husband and I would fuck like two to three times a day. We're really sexual and we're really open. We've had threesomes together and we've done anal. I was doing stuff like that before porn, but I love sex so much I decided to get into porn.

Powers wrings every last tit glorification position out of Haley that could ever take place on or near the soapy hood of a black Corvette. Finally, he has her stretch backwards across the car while an assistant wrings out a sponge over her chest. Derrick Pierce can take no more. He grabs her by the hand and leads her back up to the patio where they will bang it out on a red lounge sofa.

A man with a shaved head and tattoos is kneeling on a red and white striped lounge chair. A woman with blonde hair is lying on her side on the same chair, looking towards the camera. The background shows a swimming pool and some trees.

**HALEY:** Right now I'm into this whole fantasy thing and that turns me on and gets me off. My husband fucking another girl in front of me is my biggest turn-on. I watch them have sex and I masturbate. One of my biggest fantasies that I haven't done yet is getting DP'd. I haven't done it yet because I'm saving it for my website, [haleycummings.com](http://haleycummings.com), but it's not up yet. I kind of bring girls home for my husband. The last girl he had sex with was a friend of mine. I just watched them. I guess we are pretty much swingers now. We have a great life.

A man and a woman are lying on a red and white striped lounge chair. The woman is on top of the man, and they are both looking towards the camera. The background shows a swimming pool and some trees.

After the car washing footage is completed, Haley soaks in the pool for a minute or two to cleanse all mucous membrane-burning soap from her skin. Then Powers delivers the scene parameters. .

"Make sure you titty-fuck her and throw lots of lube on," he says to Pierce. "This is all about titty-fucking and stuff. No spitting on her. Nothing degrading. No choking. Feel free to grab her by the neck but no I'M GOING TO CHOKE YOU OUT, BITCH! kind of thing." .

**HALEY:** Most of my scenes the guy really can't take a lot, he'll have to pull out or he'll cum more than once. I can't really take big things. Big things really hurt me. I get myself off with the Hitachi, the wand. It's so popular because it feels so good. Nothing else has that much vibration and it feels good and for a guy it takes so much work for their dick to give me an orgasm. I like to get fucked and use the wand at the same time, all the time.

**HALEY:** My friends and family flipped out when they found out I was doing porn. Two days ago I ended up getting into a fight with my grandmother and my aunt. As disrespectful as it sounds, I really wanted to fight them. They told my cousin that if he took me on this family day thing that I would be an embarrassment to them. I went off on all of them and pretty much ended up getting into a fight and now I don't talk to any of them. It's not like they are going to see me. I don't even tell anyone I'm in porn. In person I don't walk up to you and say, "Hey, I'm Haley Cummings, a porn star!" I walk up and say, "Hi, I'm Haley, nice to meet you." They are just ignorant, so whatever. My future, I do want a child. Career-wise I want to be the next biggest porn star. I want to win Best New Starlet this year. That's another goal I have and it's something I'm going for.

This is nice porn, which is fine with me. I am all for banging girls without having to beat the shit out of them before or during whatever sexual activity takes place. It's not my deal, and probably not yours and, anyway, it's just too much fucking extra work. I'm super fucking lazy. And speaking of work, bangout conditions are not the best today. The sun blazes down and both fuckees are covered with sweat in just a few minutes. Goddammit, it's hot out! Lubricated breasts are flying around in every direction though. Derrick Pierce takes a few minutes longer than usual to produce a load on account of the orgasm-killing heat conditions. He is sure earning his money today. When it's all over, Haley Cummings cools off in the shower. This girl has a crazy fucking rack. 🐱

# VS TIM VON SWINE

PHOTOGRAPHY BY TIM VON SWINE

28181

The second Tim Von Swine's trouser snake laid its one watery eye on the lusty likes of Cali Couture, he knew without a doubt that he wanted to pork her. The most awesome thing about Cali is neither her set of gargantuan globes nor her abundant ass, but instead her easygoing attitude—she's easy and anything goes. As soon as she wrapped those dick sucking lips of hers snug and spit covered around his pussy-splitting prick, he knew he had found himself a keeper and fully intended to keep her busy buffing his bone one way or another all afternoon long. And so he proceeded to fuck her mouth, her fun bun and knock about her knockers while managing to also hitchhike his way up into her Hershey highway by thumbing her bum. Cali just grinned, bared it and took all he dished out like the slutty little champ she is. Then he bust his nut on her boulders and sent her on her way.

Porn girls of East Indian extraction have special cachet because there are so few of them to choose from, at least over here. Of course, Indian culture does not spit out the sheer volume of porn girls that the good old USA does. We're Number One! But Neela Sky grew up just south of L.A. in Dana Point and speaks with a California accent.

"I am Indian but I don't know much about my Indian culture because I am adopted," she says cheerfully. "That's probably why I'm doing this. The culture is very conservative, and I'm a tad bit conservative, but I'm trying out my wild side right now."

There is extreme hotness in a women of exotic ethnicity who speaks your language exceedingly well. In addition, here there is nary a trace of the downtrodden, cynical monotone that is the de rigueur calling card for so many of today's ladies of the porno evening. Neela may be one of the few (if not the only) very conscientious UP WITH PEOPLE optimists in all of Pornville.

"I stay happy because I am," she says. "When you wake up in the morning you can choose to be happy or you can choose to be upset. I choose to be happy. You don't have to be a raving bitch if you don't want to be. That's your choice."

What the fuck?! I totally agree, but the last time I heard this kind of healthy-minded perspective from a naked woman was right after my most recent very wet bangout with Dr. Joyce Brothers. I have complained before about the manageability of the vagina support system being the greatest challenge to the process of getting laid, but never took into consideration that the pussy harboring organism in question might choose to lay the responsibility for being in a perpetual good mood upon herself. For this reason alone, Neela Sky is a riddle wrapped in a yellow bikini inside an enigma. I do not recognize this person, but I like it.

**NEELA:** My age? Do I lie or tell the truth? My driver's license says I'm thirty but I try sometimes to pass for eighteen. I work-out a lot, I run and take care of myself. I'm trying to keep up with these young girls and it's hard to stay young and fit but I do what I can. My attitude helps too, staying happy. This is my second week of doing porn so I'm new and fresh. My life prior was pretty normal. After high school I went to college and got my four-year degree. Before porn I was in the real estate business, selling houses, selling loans and stuff like that. I've always had a normal eight-to-five job so this is definitely very different. I like it. It's cool. I'm having fun and everyone I've met has been so nice to me, so I can't really go wrong

**NEELA:** (pointing at her asshole) This right here is a NO-GO ZONE!

**CUBA:** The joke on set today is what kind of dick you like.

**Big black dick! HUGE!**

**STEFANO:** Have you always been into black guys?

Always

It's the stereotype for your culture to be more reserved.

Not me!

Not you!? Are you the whore of the fucking tribe? Is that what happened?

I didn't grow up in an Indian family. That's probably why.

How old were you when you started being a little slut? Do you remember when you started like going crazy?

Very recently actually. About the last five years. Before I was very shy and very reserved and I became a woman. And I'm really good at DOING IT! It makes you feel good about yourself, you know?

Did you have a boyfriend before? Is that why you were....

I was married. He was like my first and everything.

Are you still with him?

No. It just didn't work out and actually I didn't have any experience. I need to be with different guys. I would dream about being with other men. We had to split up. It just wasn't cool anymore.

Does he know that you are doing porn now?

He'll probably find out soon. We're really good friends still.

Juan Cuba is directing Neela with Michael Stefano and Aubrey Addams in a scene for Combat Zone's *CuckQueens*. The porno setup will be a variation on the "cuckold" wave that emerged a few years ago. Many jumped on and by all reports the swell has yet to crest.

"This is a new thing that we're doing," Cuba explains. "In this case Michael and Aubrey are a couple who are engaged, but their sex is kind of lame. Mike travels far away to bring Neela here to show his fiancée Aubrey what he needs to make the marriage work. It's a little twist to the old cuckold thing."

In the set-up scene that follows, Stefano says to Aubrey, "I just wanted to have fun and thought that maybe you could watch and see what turns me on. I want to save this relationship and this might be the answer right here."

Then Cuba starts shooting the sex. Aubrey watches from the corner of the couch as Stefano bangs Neela for the better part of twenty minutes.

**NEELA:** I quit real estate because the business went down. I'd been doing other jobs like serving drinks but that really doesn't pay the bills that well. You have a bad week, you aren't making any money. That's definitely the first reason why I got into this. I'd been thinking about it for a while, a long time, from my early twenties. I'm actually happy that I waited until I was thirty. I'm smarter and I can handle myself a lot better. I've always liked porn. I've always watched it. My ex got me into it. At first I was very shy about sex. He was the very first person I'd ever been with up until I was twenty-five. Now I'm like this crazy little firecracker. I've become this woman that is wild and crazy I guess.

**NEELA:** I took a sex class. It was \$150 and they teach you how to give blowjobs and do different positions and stuff like that. It was fun. You had to bring a ripe banana. It was a male and a female and they were showing us different positions. They were a married couple. Me and my girlfriends took the class and we thought it would be kind of cool, you know?

Stefano pops completely on cue from a BJ. And Neela Sky remains one happy camper. Stefano is winding up his porn career after twelve years on the mattresses. For a final scene he couldn't have been matched with a more upbeat partner.

"Awesome, awesome stuff," Stefano says when it's all over. "You are so good. You are great AND Indian!"

He and Cuba have marveled all day at both Neela's openly cheerful attitude and the rarity of Indian women in porno. Her two-week-old porn career is still in what many would consider to be a trial phase and there is so much freshness in the air. For Stefano it's more about reflection upon the fact that he definitely made the right career move all those bangs ago.

"That was FUN!" he says brightly. "The old man's still got it!" 🐱

# SLUMBER PARTY

**IMMORAL PRODUCTIONS**

[www.straightdownthetubes.com](http://www.straightdownthetubes.com)

**DIRECTOR: PORNO DAN**

**SLUTS: SINDEE JENNINGS,**

**VICKI CHASE, KELLY SURFER,**

**BROOKLYN JADE** 28187

Porno Dan somehow avoids discipline. Oh yes, people have tried and will continue to try but Porno Dan is resilient, or lucky, or both, so far. Today—for a live on the internet *Slumber Party* featuring the likes of SinDee Jennings, Vicki Chase, Kelly Surfer and Brooklyn Jade—Dan will be taking a more passive role than usual. He will be manning the laptop computer that is the informational conduit between the questionable squad here at Immoral Productions and the great unwashed cyber-audience that will be emailing “performance ideas” to the ladies.

He will also be keeping an eye on the two camera feeds, one stationary and the other manned by recent *Fuck A Fan* winner and now Immoral cameraman JayRock, who has been clawing his way up the ladder of Porn Valley unwholesomeness with great speed. OC Modeling’s Phil Mack is also present to view the escapades of three of his clients, Vicki Chase being the sole outlander.

For the most part, whatever takes place within the Immoral sanctuary of porno stupidity is always highly improvised and off the cuff. Sometimes to everyone’s detriment, but in the field of improvisational pornography the train wreck is always the true money shot. There are those who head down to the stock car track to appreciate the driving but it’s really the brutal crash that makes a memorable event. The magical ritual of the accident will always triumph over clean sport in the theater of the dramatic. The brutal porn crash is why Porno Dan is in business. Sick fucker.

"This is a slut party!" screams Porno Dan while the girls are filling out model releases. "Not a slumber party! Everyone here is hand-selected for sluttiness!" After a photo shoot of the girls sporting Immoral Productions attire in the parking lot, Dan gathers everyone around a table littered with sex toys and instructs the ladies to pick their weapons. As usual the Hitachi Wand is a favorite. There will be no *on-camera* human erections in use today. This performance is all about girls jerking off around and on each other.

The ladies sit side by side on a velour sofa that has been covered with a waterproof tarp...JUST IN CASE.

"Say hi to Big Red!" Porno Dan says while gazing into the computer.

"Hey Big Red, WHAT'S UP?!" yell back the girls, remarkably nearly in unison.

SinDee Jennings is a spirited lass and lends heaping, dripping loads of enthusiasm to any porno scenario.

"Hello, I'm SinDee Jennings and this is my mother-fucking slumber party," she shouts into JayRock's camera. She introduces each girl and then winds up with, "And this is me having a good time!"

Hitachi Wands are plugged in and applied to pussies. The buzz of four vibrators humming concurrently fills the air.

"This entire couch is vibrating right now," says Brooklyn Jade.

"I'm trying to find my clit," laughs Kelly Surfer. "Whoops..yep...found it! OH MY GOD!"

The SinDee Jennings show is now ready for take off. She has already found her clit and continues to spout filthy dialogue worthy of a porno exorcism.

"Wouldn't you like to see what's going on here, you fucking pervert?" she growls into the camera. "Are you going to stare at my fucking nipples while she's playing with me? How can you not have fun here at this Hitachi party?"

Great question! Over the course of ninety minutes several strategies are employed to peak unwholesome sexual interest among the viewing audience. SinDee jerks off surrounded by the others while sitting in a large, clear plastic bowl. Kelly asks to be gagged and banged so she gets worked over with a ball gag, blinders, a dildo and two (count 'em!) Hitachi Wands. SinDee and Brooklyn concentrate on doing each other thoroughly and consistently. Vicki gets double wanded as well and appears to have been vibrated into the next world.

**DAN:** We are going to have a post-wrap interview on a good whore versus a bad whore from Immoral Productions directors Ralph Long, JayRock and Porno Dan. Here is the definition of a good whore: one who walks out the door with your cum dripping down her leg. And that girl's name is SINDEE JENNINGS and she will be back! Now here is the definition of a bad whore: one who forgets to wear her fucking deodorant and won't fuck any of us! She will NOT come back! That's good whore, bad whore! Who else are good whores? Brooklyn? What did she do?

**JAYROCK:** She fucked me off camera.

Again, a GOOD whore! Will you shoot her again?

**Yes!**

**SEE?** Ralphy, your comments?

**RALPH LONG:** (pause) Nothing happened today. They were all bad whores to me!

**SINDEE:** I just LOVE cumming. It's the truth, I do! I'm going to go home and cum some more!  
**BROOKLYN:** When I'm about to cum please don't talk about hairy, sweaty balls on my face.  
**VICKI:** There's nothing worse than when you're sucking a guy's cock and you go down to the balls and you start spitting out hair.  
**Kelly Surfer:** That happens to me all of the time! I've got a bunch of hair so I'm sure I've done that to guys before.

When it's over, another porn whore cattle drive is complete. Fading memories of a wearing journey default to personal matters like using the bathroom and getting the fuck out of Dodge. Reflection can be a profound educational tool though. What have we learned? One: These girls understand how their pussies work. Two: The Hitachi Wand is a very powerful orgasm-inducing instrument. Three: Sindee Jennings is one crazy fucking hot bitch. 🐱

# LIZZ TAYLER & SASHA HEART

It doesn't get any better than getting to watch the beautiful brunette duo of Lizz and Sasha dyke out and do each other dirty. Sucking and fucking are just two things that each of them considers to be a personal specialty, in addition to fingerbanging, ass licking, titty fondling and cunny slurping. So when they get together and unleash their full arsenal of orgasmic gash-mashing tricks upon each other, the results are always XXXplosive. Lizz gets Sasha's slit so sloppy with her panty and pussy munching tricks that it takes her days to dry out afterwards. Likewise, Sasha manages to so swiftly locate Mizz Tayler's gee! spot with her fingers that Lizz always knows she's cumming before she even knows what's going on. The mash up of these minxes is a match made in log flogging heaven, proving that there is indeed a kind and benevolent god of goo pipes.

Amy Fisher, the Long Island Lolita gunslinger, is a pornstar. Sound crazy? After starring in her own "amateur sex tape" in 2007, Fisher's taken the plunge. She has formed her own production company, partnered with Dream Zone Entertainment and has gone Hollywood, heading west to shoot four potential features with the biggest names in porn, including Lisa Ann, Shyla Stylez, Evan Stone, Tommy Gunn and more.

"Shooting four features at the same time is both a blessing and a curse," explains veteran director Jim Enright. "Amy's almost shutting down the industry for the next ten days, working with the best of the best, the top studs, the best girls. Once the word got out that Amy was going forward with this project, everyone wanted to be involved, it was crazy [in pre production] trying to coordinate shooting schedules, locations, crews and pairing up Amy so we could make each feature stand out on its own."

The first day of shooting is high up in the Hollywood Hills, at a location reminiscent of those really insane houses Robin Leach used to showcase on *Lifestyles of the Rich and Famous*. Multiple pools, waterfalls, secret passages, tennis courts, too many fancy cars to count and the place just doesn't seem to end, going up the side of the hill, and going and going and going...

Dialogue wraps for Amy's first scene. She and co-star Dale Dabone have been rehearsing, with Enright explaining each mark he needs hit. After two or three takes, the couple are good to go. For Dabone, this is the latest in a string of high-profile projects since he returned to porn after a self-imposed hiatus. Once known for being "difficult," he now seems to relish the opportunity.

"When I left, there was a lot going on personally and professionally," he says. "Between my band, mainstream gigs, some personal relationships, things got kind of crazy." One of those issues, a rumored relationship with tennis star Jennifer Capriati, seems to have helped his approach to introducing Amy Fisher to life on a real porn production.

For Amy, this is Ground Zero. She's just finished her first formal set of pretty girl pictures. A crew of roughly ten people mill around behind the camera. Being the center of attention is strange for her. "The last thing I shot was much smaller, more intimate," she says. "This is, almost, surreal: the house, everyone, figuring out each shot...it's a long way from Long Island."

She still appears relaxed, taking in everything being thrust upon her. Enright understands the situation, the crew doesn't seem to notice or care who the 5'3", 105 pound, D-cupper is or what she's famous for, they have other things with which to deal with. It's that mentality that seems to keep things moving smoothly. The production is actually pretty close to being on schedule, something unheard of in porn.

Enright is ready to roll. Dabone playfully teases Amy, the idea being that they are a couple frolicking on a lovely afternoon. Dale slowly eases Fisher in with gentle kisses and soft caresses. Her first scene as a pornstar is in full swing, and Dabone goes down on her. While most male porn talent view eating pussy as a chore, Dabone says he looks forward to it. Judging by the way Fisher is responding, Dale has lost none of his touch. In the middle of the heat, Amy gets another lesson in life in porn when Enright stops the action for stills.

Watching Amy drop to her knees, unzip Dale's pants, reach inside and begin to stroke his cock to a quick stiff erection was probably the only thing the crew actually paid attention to, curious as to how well the "new girl" could suck cock. No one was disappointed, as Fisher's firm grip and wet lips paid plenty of attention. Only question was who enjoyed the oral sex more. While pondering that thought the duo spring into hard doggie, Dabone pounding her from behind. Amy begs for more—deeper, faster—and gets every request filled, and fast, position after position. They rock like old pros. Dabone blasts a load all over Amy's tits and, just like that, her pornstar cherry has been broken.

A short time later, during lunch, we get the chance to chat with Amy. What was it like? "It was very very hot," she says. "I should have done this ten years ago. He certainly lived up to his name, he was great."

What can people expect from Amy Fisher, the pornstar?

"I can do what ever I want," she says. "I don't have to listen to the director, nothing."

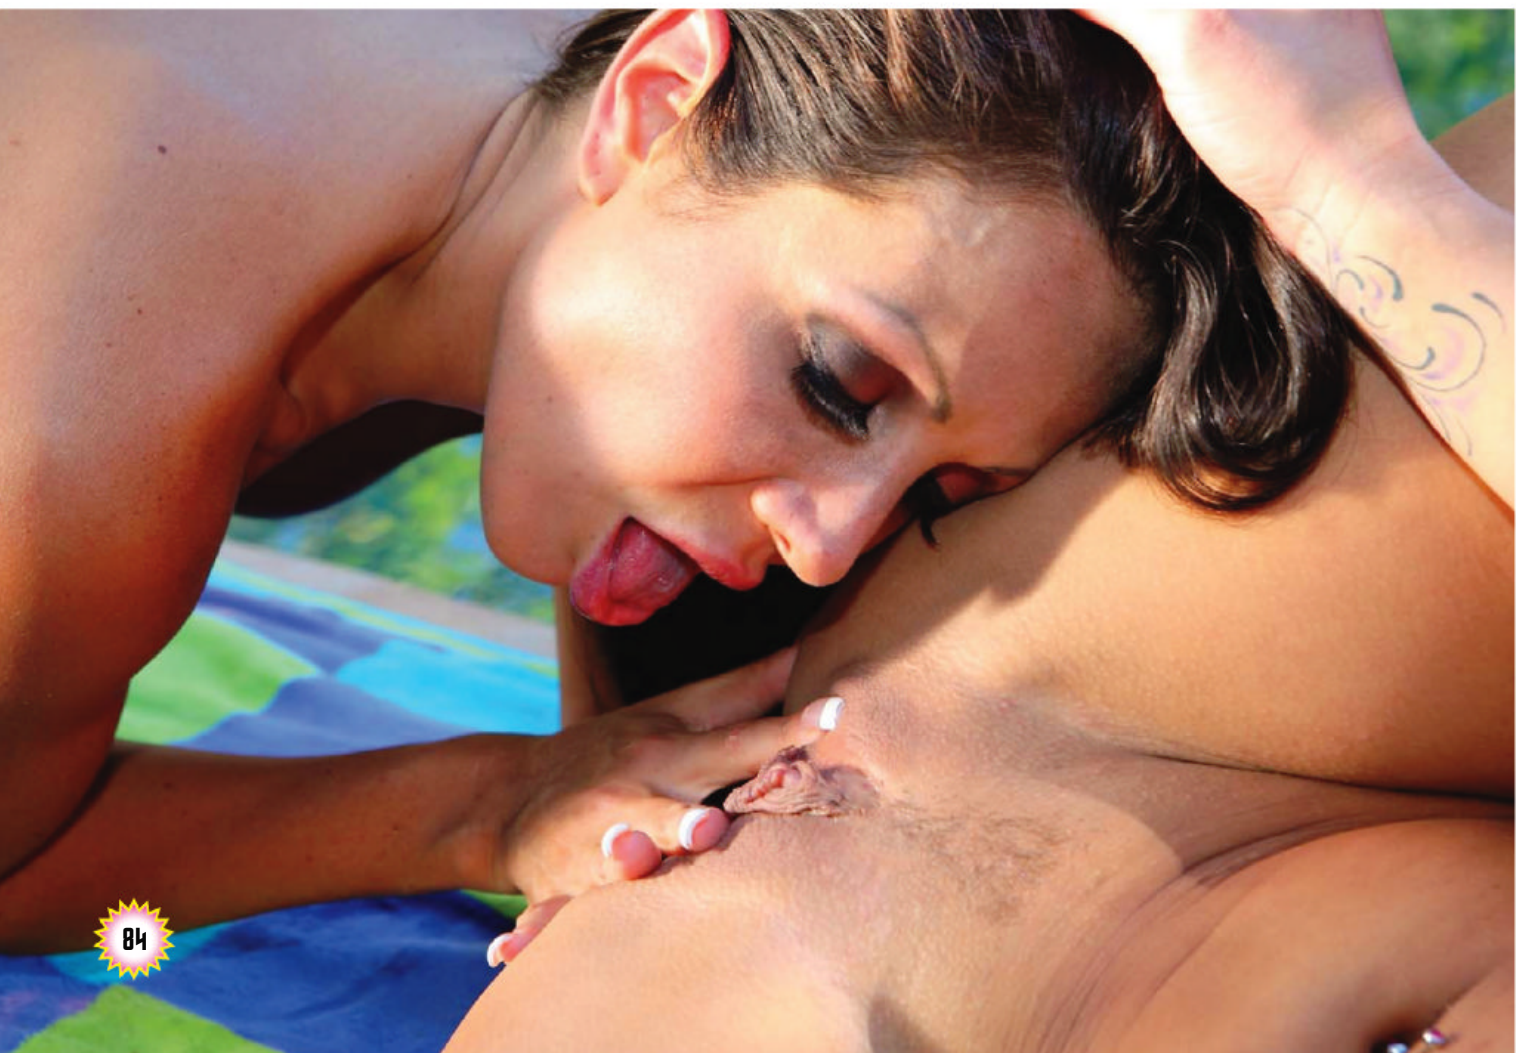

Things went so well in that first scene that Amy's already considering changing one of the upcoming planned scenes to a threeway instead of a simple boy/girl as originally planned. One thing that won't change is the upcoming scene, with Shyla Stylez, who has arrived today in shorts, a skimpy shirt, wearing no make-up and looking better than ever. Shyla pretty much embodies the average male's ultimate fantasy: blonde, big tits, and a rock-hard frame. Today is apparently another first for Fisher—a lesbian scene. The action takes place poolside with Stylez going first. She slowly strips out of her soaking wet bikini. For the first time today, the set is completely quiet. All eyes are focused on Stylez as she slowly strokes her breasts, sprinkling water across both nipples, which glisten in the warm afternoon sunlight, erect, ready to be pinched, sucked, nibbled. And that's only the beginning.

From a short distance, Amy pays close attention to Shyla's every move, clearly getting turned on, smiling from ear to ear knowing she's the envy of everyone in attendance. Next thing you know the two are locking lips, stopping long enough to bury a tongue deep into each other's mouth, then gently working their way down to the pussies. Amy exhibits some serious pussy eating ability, and Shyla pushes Amy's head deep between her slippery thighs. Amy seems eager to keep going down on Shyla, and the two end up at the edge of the pool, deeply immersed in 69ing each other. Fingers appear then disappear quickly, spit flies, all that can be seen is the back of Shyla's head, moving up and down at a frenzied pace, and Amy's hands spreading Shyla's ass cheeks, trying to get deeper and deeper into her pussy. And she seems to be having quite a bit of success.

One of the benefits of shooting in a house like this is that the neighbors aren't close by. If they were, the sheer volume of Shyla and Fisher going at it would have been enough to raise the dead. Amy Fisher has plunged headfirst into hardcore porn. Another legendary chapter is complete in these Hollywood Hills.

Nothing is more tantalizing than watching a shy teen fucking and sucking her way through the real world. Check out the stories of their coming-of-age sexual escapades captured only in our exclusive award-winning HI REZ photo galleries & HI DEF video collection.

# JAMEY JANES

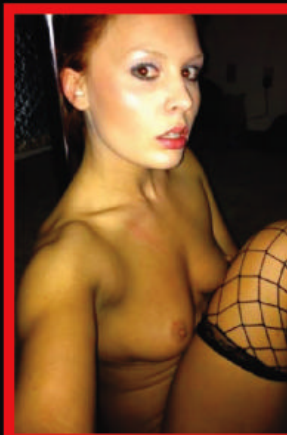

## CHRONICLES OF A GOOD GIRL LIVING BAD

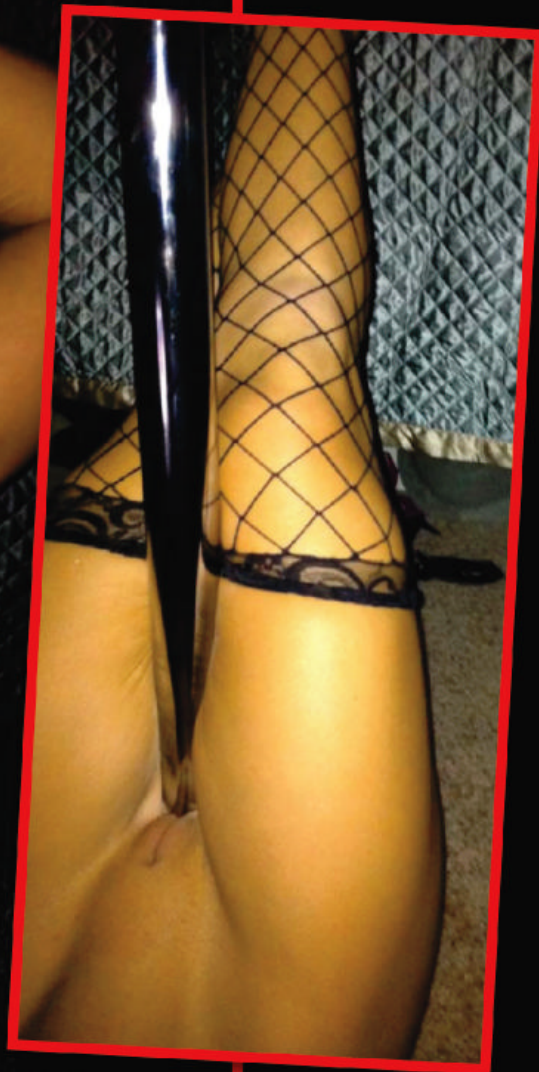

I'm sitting butt naked on my slightly cold leather couch which is firm but inviting to my rounded ass cheeks. My erect nipples with their soft pinkness seem to peer curiously at my laptop screen, as though they long to see what I am typing. A goofy monkey sprouts from the side of my large coffee mug, which holds a perfect blend of cappuccino & whiskey. I'm pecking away at the keys with a purpose, creating a pathway for you to follow me down my honey hole and into the lair of my wildest escapades and desires. I'm Jamey Janes, and these are the **CHRONICLES OF A GOOD GIRL LIVING BAD.**

there, letting my drink slowly slide into my parted lips and down my hun-

I have always been a sexually occupied and driven individual as far back as I can remember. I loved anything that would be considered taboo or pushing the envelope. My mind was and is a flood of perverse rampages! It's no surprise that in general I would not be considered "socially acceptable" because I say and do things that "a lady" should not. Being that I am not one to conform or to have my will be broken, it makes sense that the erotic glamour of X-rated jobs has appealed to me. My first step in this journey was into the strip clubs,

where a girl is whatever and whoever she wants to be...and where every man might well turn out to be the next big jackpot.

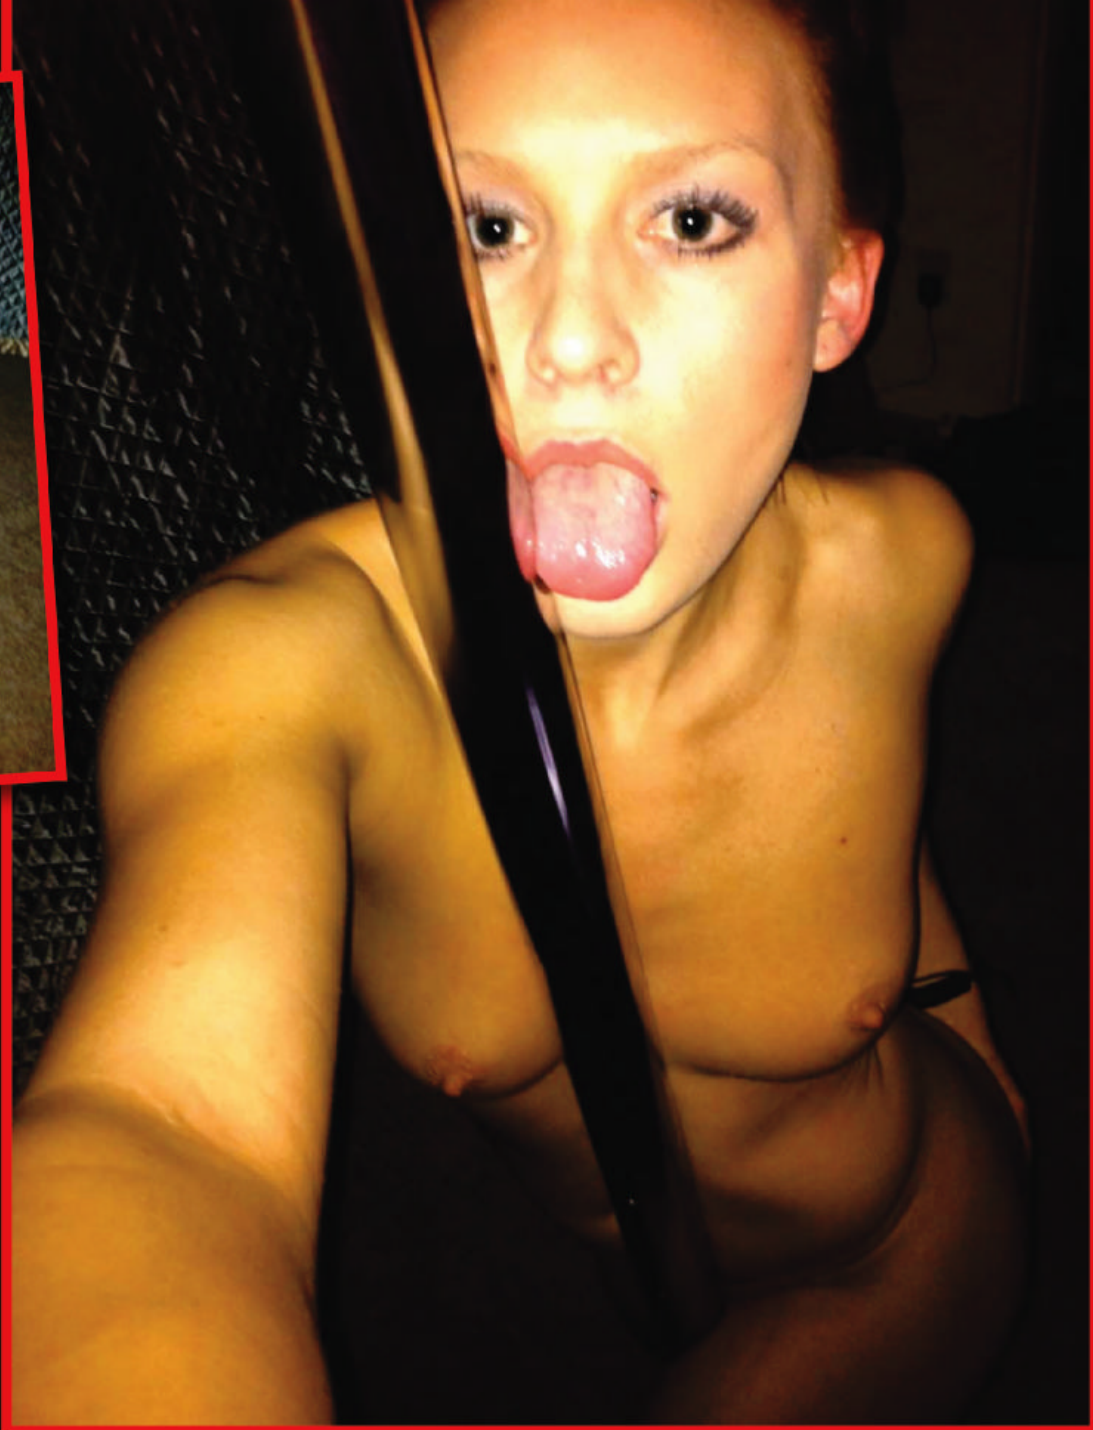

It was a random Thursday night when I first stepped foot into a strip club. It was instantly like a drip of sugar on my tongue that would leave a craving right up until the end. The girls, though not all gorgeous or tight bodied, were fascinating to me. Their bodies so boldly displayed, like sex objects shaking at any onlooker saying, "Look at me, touch me, want me, but you can't really have me." I felt the control they

seemed to exude over these men. The mixed smells of perfumes, sweat, money, and hedonistic desire pervaded every inch of the air. It was intoxicating, sending me into a trance of desire as the women shook their bare asses and grabbed at their breasts. My pussy, slowly moistening from the new vibe, started to clench, heart racing, my free spirit yearning to rip off my clothes and throw myself into the wave of bodies. I knew something had found me and put me in a tight grasp that I could only escape by devouring it. As I sat

gry throat, thoughts and schemes ran wild. Shake shake, bounce bounce... With every crevice and curve, nude goddesses of the night danced around, glowing with perspiration. Want me, watch me, lust for me..." every heated body seemed to say again and again like a spell.

The next afternoon I was on my way to the strip club for an audition. I had just bought what would be my first pair of many dance shoes and a couple of appetizing outfits. My palms were sweating and I was nervous. Not nervous to be naked but more like first day jitters at

school. Even after I had danced at a few clubs and settled into my routine and club hustle, I would still continue to be slightly nervous at the start of every new club. The audition was easy and within a couple weeks of starting I quickly settled into what seemed a fantasy come true. The money of course was an immediate draw. Being able to play dress up but ultimately be naked at work seemed like the reality I had been always searching for. I felt like a little princess in my own perverted fairy tale. The colorful lights beaming through the dark room, loud music feeding the adrenaline, the DJs announcing my name with embellishment. It was a drug, and I could not get enough. I would walk around the room and feel all the hungry eyes following me, wanting me like a lustful animal. I was in control and the world was at my fingertips. The stage was my throne and the customers were the audience I owned with every entrancing move I

made. When I got up on the stages to dance it was like the world stopped, my mind stopped. I was in the zone and I could command an ocean if I choose. It felt like home.

I traveled a lot and was constantly trying new clubs in order to expand my skills and keep myself a mysterious and desired commodity. I tailored my persona and routines down to an art. I wanted to be every man's addiction. Walking through the

rows and chairs I wanted to feel and smell their greed for me. I loved giving dances and grinding on strange and random men. Many times I would be so turned on by my own performance and act that when I gave lap dances, grinding the hard cocks through their pants against my clit, I would actually climax! Every day that I went to work was a new adventure full of mysteries and surprises. It was exhilarating never

knowing how much I was going to make, who I was going to see, or what might happen. It's strange how an occupation such as stripping may seem so grimy to some, but for me it was a bright door of opportunities. I had many boytoys who spoiled me in every way imaginable. They would shower me with money, gifts, travel, expensive dinners, and anything that they thought might win me over. Each man trying to paint a rain-

bow and path of gold to lure me into his arms. It was intoxicating to have so many men bow down at my feet like I was a goddess. The more that I teased them and toyed with their emotions the more they tried to buy my love. LOL, if only they knew that I had no love in my heart, only grandiose fancies and selfish desires. I enjoyed having random slutty sex with my boytoys. They were so delightful in their eagerness to please me that I could coax them into just about anything. Hungrily licking and sucking my pedicured toes or chomping away with salivated mouths at my pussy under the skirted tables in fancy restaurants, in fitting rooms, in elevators, in traffic, and just about anywhere there was a chance

of getting caught. Walking behind me with my shopping bags in stores and acting like my man servants as I flirted shamelessly with random men. I was in a sick lust of control that had swept me up into my own world where men were little chess pieces in a game they enjoyed but didn't quite know they were playing. Even with all the random excitement I eventually grew bored of the monotony and simplicity that came with mastering a trade. I wanted more. I needed more.

And then there was a suggestion: Porn. Laughably, I had never watched porn. I suppose when you have as perverted a mind as mine there never seemed any need to watch porn. The suggestion seemed well put

though and promising. After all, I was a freaky little bitch! The idea that I would be able to just go have sex everyday and get paid for it was perfect. No more dealing with catty washed up strippers and sexual frustration that could not be fully satisfied at the strip clubs. I was very professional while dancing so I did not mix sex with my in-club work persona. The idea was to sell fantasy and the idea of sexuality, not the actual act of sex. Which I was very adept at, but all the same I just wanted to have random sex and get paid for it too. Like a tiny flicker of flame fed into roaring life by urging wind, the idea soon became a rampant tiger in my head. One thing led to the next and all the pieces seemed to

appear out of nowhere. In a few short weeks I found myself aboard a plane headed to Los Angeles.

I arrived an expert surprised to be taken back to school. The first few weeks in La La Land were like something out of the twilight zone. So many ups and downs in perspectives and emotions. It all seemed like a series of dry tasks and decisions. All I wanted to do was have nasty naughty sex! I quickly realized how much I did not know and how much there was to learn. I was eager and willing all the same. It seemed like another new door opened and an adventure was to be had. It started with meetings and "go sees". I must have seemed like a girl wearing her older sister's

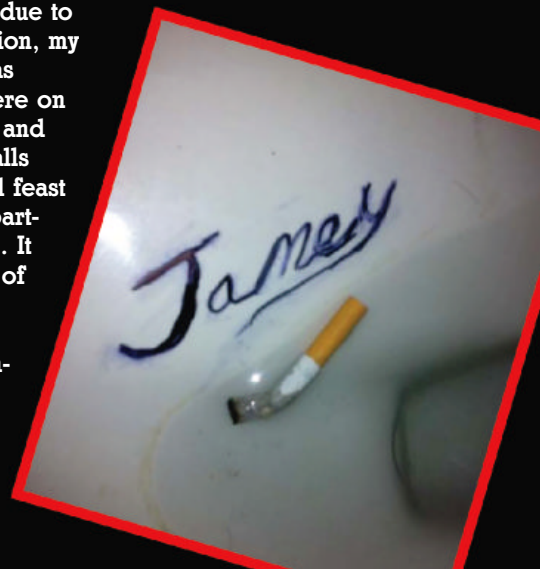

make-up and heels, swearing up and down I knew what I was doing. An eager beaver: fresh food for the salacious appetites of experienced perverts. All the same, I may have been new to the world of porn but I was no stranger to sex. So I smiled and then proceeded to let the smuttiest string of filth run like cum from my mouth. I was talking big and secretly hoping I could back it up. I actually spent many hours searching Google trying to get an idea of what monster cocks I might be up against. I tried to exude confidence but of course there was that fear: What if it doesn't fit?...What if I forget what to do?...it was a pulsing annoyance against in my whirling head. And BAM!, there I was—a girl, a slut, a dominant selfish beast waiting for my first scene.

My first solo scene was booked with Amateur Teen Kingdom. I was nervous, but since it was a teener site my anxious look and unsure movements fit well in the photos. I was able to relax and enjoy myself, even squirting in one of my solo videos. It's amusing thinking back on that shoot now. I was supposed to climax at the end of the solo segment, but the vibration felt so good on my little pussy that I came quickly. I had tried so hard to stop myself from orgasming thinking that I had to follow some sort of protocol. So laughable imagining that I could be doing something wrong by having too many orgasms! The solo shoot was followed almost immediately by my first girl/girl scene with Girlfriends Films. This company likes to pair

up younger girls with older women. The scenes are based on the older woman seducing and taking charge of the younger woman. So, while it was enjoyable to say the least, it was hard for me to not be in control. I am very dominant so it feels like putting on two left shoes when I have to be submissive. After the scene we shot some behind-the-scenes footage in which I was given a vibrator and, to my gleeful delight, I squirted. I was still hesitant about my first boy/girl scene. In my mind I had created this dramatic scenario of events that made the actual situation far more dramatic than it was to be. Oddly comical that a girl who is a domineering sexual predator in bed could think that I could forget what to do just because I would be on a set. No matter the reservations and silly fears, I was eager to forge on. Even though initially I had wanted to start out doing g/g shoots for as long as possible, I quickly made the decision just to jump into the world of stunt cocks, LOL.

Not too long after my first g/g scene, with diminishing calm due to my sexual frustration, my first b/g scene was booked. From there on out it was a maze and daze of cocks, balls and cum. A sexual feast of unknown sex partners and orgasms. It was actually kind of exciting to have people standing around and watching me have sex. Other than being

a sexual voyeur with an appetite for random vulgarity and situations that were risqué, I had never actually had sex where I was knowingly letting people WATCH. Even though I was not at risk of being "caught" or doing anything I was not supposed to be doing, it was a new allure to have so many people stand around while I gyrated under bright lights. I get in the zone when I am fucking in my scenes so I am unaware of the onlookers until someone yells "Cut!" Still, like a veil appearing out of nowhere, my conscious mind swept away in lust, my unconscious mind knows they're there. And that is just one of the many weaving ecstasies that makes it so exciting. Also I have always found it very satisfying and enticing to have sex with people I don't know and then never see them again. So while there was a likely possibility that I might see these men and work with them again, in my mind it was still like a one night stand. Hot, random, and erotic. Hard cocks, sweaty sex, varied positions, different tastes in sex styles, and getting paid all the while. What more could a sex-crazed girl ask for? A cookie and a glass of cum to wash it down! 🍪

# EMMY REYES

EMY: "I started about three years ago when I was twenty. They always tell me, 'Don't say your age. Always say eighteen!' I think I've become a little more wild and a little more naughty and more sexual. Before I was doing just like regular boy/girl and normal girl/girl but now it's like I want to have orgies and have like two or three guys at the same time. It's like there are no more boundaries. I'm looking forward to doing anal. I am going to have to practice before I bring it to the screen. Even in my personal life I'm hunting for more. With my friends I'm like LET'S FUCK and they love it! And with girls that aren't really in the business, they get to experience all of the different kinds of sex other than just being with a guy."

"I love girls but when I started I was a little afraid. But little by little I got into it. It was like if I'm going to be working with a girl I would like to make her feel what I would like to feel. Pretty much I've been giving what I would want to feel, and for the AVN Awards I got nominated for Best Girl-on-Girl and for Best Girl Group Scene. I also got nominated for Best New Starlet. I'm happy that at least my work got recognized out of so many girls. So far I've been able to put like five girls together at my house. Just us going at it and one guy. For some reason with guys if you want to bring in another one the guy gets weirded out. It's that way in the porn business too. I think that my brain now is very sexual. I just let my feelings go and I know what I'm feeling at the moment."

"I'm pretty petite and they normally don't put me with dicks much bigger than seven inches. In the past three years I maybe have done five or six guys with big dicks. I'm so thankful that I get to experience a deeper life than a lot of normal people do. I get to party and go places and do things that I never thought I would get to experience. I get to travel and meet people. It's so cool. My personal life is awesome. I'm building up my website. It's going to be called lifeofemyeyes.com. It's going to be based on what my fans want to see, their fantasies. I'm going to have a camera always following me. I like to dance. I'm learning how to belly dance and how to do stripping. Then I'm also trying to do samba. I thought it would be easy but it's actually kind of hard. Right now I still want to be in the adult business but I'm going to wait for my site to build up and hopefully I'll get enough money to be able to shoot all of the people and be able to build a company." 🐱

# AMY BROOKE

If there is one thing Amy is really fucking good at, it's jillin' off. This little gal is gonna give 'til she's got nothing left and in turn take herself right Over the edge. This sassy little blonde loves gettin' jammed in the can and she's always ready to take the hole matter into her own hands. After seeing that her snapper is crammed to the gills with a colossal mock cock, she pops her pointer into the pretty pucker of her patootie and sighs a deep contented sigh. For some such as our Miss Brooke, happiness is having a dildo in her divit and a digit in her derriere. This is always how she cums the hardest—with her bum in the air and her face on the floor, her juice box dripping around the thick pink swizzle stick she's stuck up inside, star fish clenched tight around her forefinger. She knows enough to stick with what works while working herself over.

# I CAN'T BELIEVE SHE FUCKED ME

[ICANTBELIEVESHEFUCKEDME.COM](http://ICANTBELIEVESHEFUCKEDME.COM)

DIRECTOR:

ADAM WOOD

SLUT:

LILY LOVETTE

28186

Adam Wood brings a great deal of honesty to an arena filled with charlatans and poseurs. Those not fitting into these categories know who you are. Fuck all of you who are lying, you're not fooling anyone. There are also those who have no idea how phony they are. Layers of delusion build upon each other like emotional sediment strata in an ancient lake of denial. The insanity forms a bedrock of impostorship that lasts forever. We all know these people and we are them from time to time. Sad, really.

Wood's concept is self explanatory. Basically, it's about getting laid of course, and procuring a steady stream of pussy that could be elusive under normal circumstances. However, the idea of putting bangouts of porn girls onto a website that glorifies the reality of these women being way beyond your reach is a novel and festive one. We fucking understand MORE THAN YOU KNOW, BRUTHA! It takes comedy, truth and humility to truly bring all of this to a great level.

**ADAM WOOD:** I've been in porn for a while and I realized that I'm not exactly the prettiest boy in the business but I have one thing going for me: I can get my dick hard in a heartbeat. I don't need any help. The girl just has to pretend she likes me and I can rock 'n' roll. I'm forty-six now and as long as the girl acts like she likes me I can go all day. If they're mean to me then I have an ego problem—with what little ego that I have then it ain't happening."

Having grown up in the Fairfax district of L.A., Wood is all too familiar with the soulless "If you can do something for me then maybe I'll fuck you" social brutality of life in porno/show-biz land. The only way around this mess is to play the game better than anyone else or to not play at all. Wood does both at the same time. That takes balls. He's a winner. Trying to get your dick hard for a girl who is up front about having problems with you in the first place is difficult enough, but throw in some classic porn girl insanity and the road gets way bumpier.

"A couple girls were mean to me one time," he says. "I had three girls on me at once and they were hot chicks too but they weren't the most pleasant girls. I'm not going to do this if they don't like me. I'm up for having fun whatever I do. Don't make it seem like you're such a prostitute."

In the City of Whores there are so few alternatives to conjuring a callous view. You have to throw in the towel and make a stand. Fun is the answer, more than love. What a relief. Fuck it!

Moscow native Lily Lovette has been very nice so far. She speaks with an accent and has been doing porno in L.A. for about a year and a half. "I just hate the cold," she says while applying make-up. "Snow in Russia is up to your chest. You wake up in the morning and it's just ice cubes everywhere which I hate because I like to be bare naked. There I have to wear fur coats with pants everywhere."

Today's location is an apartment that belongs to Wood's assistant Brian. The sex stills will be shot in the bedroom and the video will take place in the living room. Wood isn't fussy about her porn outfit. "Whatever is on top," he tells her as she gazes at the rag pile of stripper clothes bounding out of her suitcase. "Cute and pretty. This isn't brain surgery. Bra and panty first. Do you have a little string kind of thing? There you go."

A pink bra and panties will suffice. It'll be coming off soon anyway. He takes her into the bedroom and shoots pretty girls standing on the bed, then it's time for the sex stills.

"I hope you have the Adam filter on when your camera sees my nakedness," Wood cautions. "It's very white and bright and hairy. It's all about the love, right?"

**ADAM:** This is a 21st century Woody Allen kind of a thing. I've got the confidence and try to have the kind of "Rico Suave" charm and I can get my dick hard, which the girls appreciate a lot of the time. Sometimes pretty boys can't get their dicks hard because they're more into themselves than they are the girl.

**LILY LOVETTE:** I'm thinking about doing a website but I'm not sure how porn is doing right now, you know? But I'm planning to go back to school and study Interior Design. I am really into that. It is one of my passions. It was kind of awkward when I started. Thank god that the guys I had sex with were kind of good looking. I appreciated that. I was like, YEAH! WHAT'S UP? HOW ARE YOU DOING? They were really professional and kind and weren't giving me an attitude. It made my life easy.

They course methodically through the positions while making small talk. It's a casual, afternoon series of sexual penetrations in front of a few cameras. When it's over, Wood figures out the set-up.

"I met her at a party the other night out on Hollywood Boulevard and I gave her an I CAN'T BELIEVE SHE FUCKED ME.COM card because I thought she was cute," he surmises. "So she calls me and I ask her if she wants to shoot and she says, 'Yeah I'll fuck you. I saw your site and it's cool. Let's see what you got, old man!'"

She asks where the "pick-up" will take place, assuming that a sequence of her being ushered into a car by Wood the seducer will be shot at a remote location. He tells her she will just show up at the door to keep it simple. Then a desirable pop scenario needs to be approved. Wood:

"What are we going to cum on, lady? Your face?"

I wasn't going to take off my makeup," says Lily. "So...how about my tits? You like tits."

"I can do a creampie. It won't touch your face. Where do you want it?"

"I can do the mouth," she replies. "But not like, 'Ahhhh.'"

They start on the couch with a BJ and eventually end up on the floor. When it's time to pop, in an interesting twist Wood pinches his erect unit and waits—for what in the ejacutorial process amounts to an eternity—until Brian is ready with the videocam. Upon getting the high sign, Wood ejects his load as agreed, on her rack with her mouth open.

“Yeah I can hold it in for as long as I want,” he says proudly. “Sometimes it blasts out and sometimes it just drools, depending on what kind of pressure I use. They call me ‘The Pincher’ at the bukkakes. I jerk off far away because I can’t be around those guys. Then I just walk through and say, ‘Excuse me, The Pincher is coming through!’ and divide the Red Sea. They call me The Pincher!”

Wow. It’s all about the love, right? That and some newfangled jizz delivery acrobatics. Here again, we have learned another valuable life lesson from our porno experience: *Live today to create your dream tomorrow and your life is a masterpiece.* This is some awesome shit man. Adam Wood is a stud.

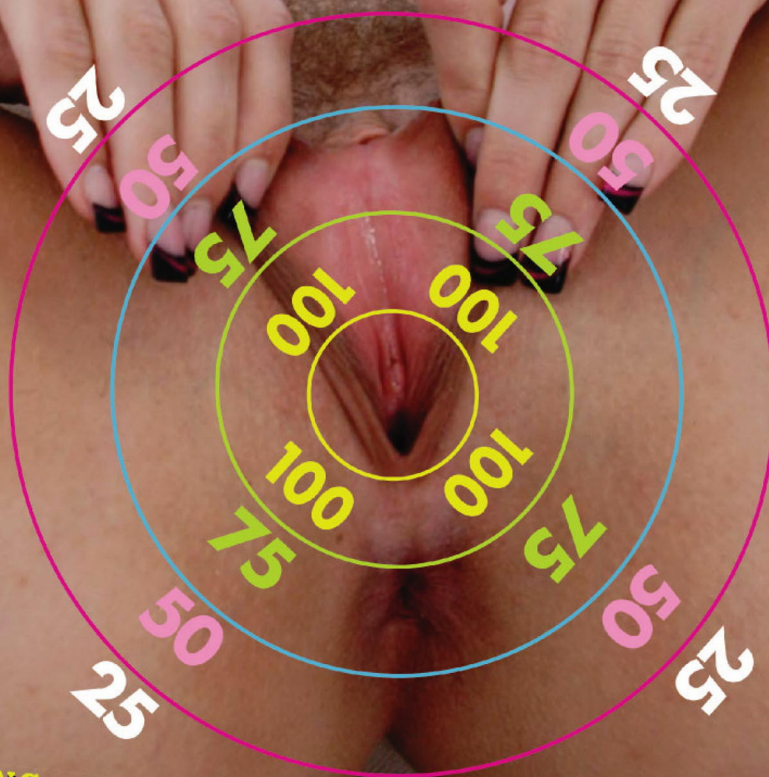

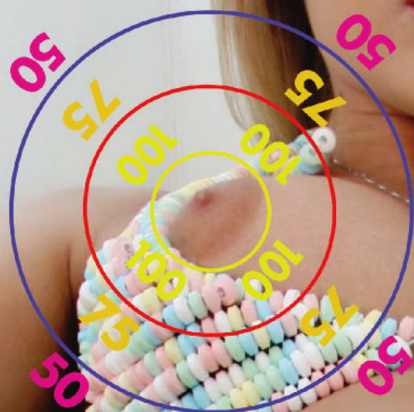

**ADAM:** I try to get acclimated to the pussy without fucking really hard because sometimes you start out real quick with new pussy and it's all over. So I like to do the hardcore first with the new positions without getting myself all worked up. That was a good cum shot I think. I've shot it before and hit the blinds. I've shot it right over the girl's head. You saw me work. I did my job. I can compete with Evan Stone and Tommy Gunn. All those macho men! 🦊
